

WORTH CONSERVATION AREA ADVISORY COMMITTEE IN CONJUNCTION WITH LOCAL WARD COUNCILLORS

We are a small group of like-minded people and our remit is to enhance and protect the Worth Conservation Area. As part of our role, we are able to monitor planning applications and changes in designation.

A proposal has been put forward by developers to move the built-up area boundary to encompass the land around Worth Church. This is against the policy of Crawley Borough Council.

What does this mean to you?

The land around Worth Church could no longer be protected against future development.

What can you do?

If you disagree with these proposals, we are holding a public meeting on Tuesday 22nd August 2006 at 7.00 p.m. at St. Nicholas Church, Worth.

Alternatively, please contact your local Ward Councillors:

Bob Lanzer	01293 884789
Claire Denman	01293 544442
Lee Burke	01293 454848

If you want to protect this unique part of Crawley, you need to come along on the 22nd August and make your views known.
