

# Come and meet us to find out more about our proposals for North East Sector, Crawley.

We always try to keep local communities informed as we prepare and then make our planning applications and really welcome any comments that you may have at this stage.

You may recall that in February 2011 an outline planning application was granted by the Planning Inspectorate to create the new neighbourhood between Steers Lane and Crawley Avenue.

Taylor Wimpey and Persimmon Homes will be working in partnership with Crawley Borough Council and the Homes and Communities Agency to create 1900 homes, a primary school and a neighbourhood centre over the next 12 years.
