

# Worth Park

## volunteering news

March 2014

Volunteers of all ages did a fantastic job making bird nesting boxes at our Spring Tweet. 19 boxes have now been installed in the park and the makers have a map so they can see which tree their box is in. Let's hope for some new chicks soon!

### New volunteering opportunities

#### Hedge planting

Worth Park Lake is a site of special nature conservation interest and we plan to enhance this by planting native hedging donated to us by the Woodland Trust. If you can help with planting on Tuesday 8 April we'd love to hear from you. Accompanied children as well as adults are welcome to join in.

#### Ridley's Court

Works are progressing well restoring two rooms that will become our new interpretation centre. Our contractor, Bolt & Heeks, is busy repairing the flooring and will soon be making other improvements including restoring the wooden panelling and repairing the fireplace.

Would you be interested in volunteering at the interpretation centre to help create a welcoming space for visitors and keep them informed about the park? If so, please get in touch.

For more information about these and other volunteering opportunities please call Edwina Livesey on 01293 438027 or [worthpark@crawley.gov.uk](mailto:worthpark@crawley.gov.uk)

### Worth Park Friends

Worth Park Friends support the park by sharing information and ideas, providing updates to their members, organising regular workshops and planning garden visits - it's a great way to get involved in Worth Park. For more information call 01293 513020 or email [worthpfriends@yahoo.co.uk](mailto:worthpfriends@yahoo.co.uk)
