

# ONE'S ENOUGH

Crawley's campaign against a second Gatwick runway led by a cross party group of local councillors supporting a One Runway, Two Terminal Airport with Spare Capacity

## CAMPAIGN AGAINST 2<sup>nd</sup> GATWICK RUNWAY PUBLIC MEETING

To Be Held at The Civic Hall, The Boulevard, Crawley  
At 7:30pm on Thursday 24<sup>th</sup> July

This meeting is specifically for the public to have their say and express their concerns, with Local Councillors and guests from GACC.

- Gatwick Airport Ltd (GAL) has submitted its final detailed proposal to the Airports Commission based on their preferred option for a “full wide spaced runway” (the most damaging to Crawley and the wider South East environment).
- The Airport Commission is considering this as an alternative to a third runway at Heathrow; all other potential options have now been discarded.
- The Commission's public consultation is scheduled for this autumn.
- This public meeting is an opportunity for all those that oppose a second Gatwick runway to have their voices and their concerns heard for the:
  - Destruction of our environment.
  - Lack of infrastructure: roads, schools, hospitals, public transport, water, etc.
  - Increased air and noise pollution from both airport and increased traffic.
  - Risk of further flooding.
  - Urbanisation and loss of countryside.
- **WILL YOUR CHILDREN REALLY WANT TO LIVE IN SUCH AN ENVIRONMENT?**
- GAL admits that most economic benefits will go to businesses and areas outside Crawley.
- GAL admits that most new jobs will go to job-seekers from the wider UK and their recruiting will be mainly focussed in towns other than Crawley.
- Gatwick will continue to grow without a second runway and will still help bring ongoing prosperity to Crawley.

Your support and donations are critical to the undertaking and success of this campaign.
