

Worth Park gardening club

Did you know many of our plants are growing here thanks to the hard work done by our volunteers? Volunteers also play a major role in helping to maintain the flower beds and develop the lake for wildlife.

Come and join us!

Learn new skills, keep fit and help keep Worth Park looking its best as part of this friendly group. No experience is needed and all tools will be provided. Whether you come once a week or once a year we'd love to see you! All ages are welcome.

Every Wednesday and every other Sunday
10.30am.

What's new this summer:

- Green gym. Gardening and conservation activities are a great way to keep fit and much more fun than weights and a rowing machine!
- Gardening training. Would you like to know more about gardening? Learn new skills from the professionals and help our horticulture team maintain Worth Park. Our first workshop on Wednesday 20 July will be about how to manage topiary.

For further information please contact Edwina on 01293 438027 or by email on edwina.livesey@crawley.gov.uk
