

Fishing at Worth Park Lake

Fishing at the lake is now managed by Crawley Angling Society. It's only available to members of the club – we can't offer day permits.

If you would like to join the club and fish the lake, please visit Jack Frost Tackle in West Green or Tackle Warehouse in Manor Royal, or download an application form from the club website. Further details and an information pack are available at www.crawleyanglingsociety.co.uk

Crawley Angling Society is keen to promote nature conservation and tell their members not to leave litter behind, which endangers wildlife. If you have any concerns about this or any other issues related to angling please contact their Head Bailiff Craig Channell on **07706 829112** or Club Chairman Lenny Wells on **07976 770308**. You can also report problems to our Head Gardener Sam Worsey at sam.worsey@crawley.gov.uk or **07884 267278**.

If you witness any anti-social behaviour including night fishing or poaching please call our Community Wardens on **07884 492324**.

We look forward to a great partnership with Crawley Angling Society.
