

Worth Park

FUNGI FORAY

Sunday 1 October

Discover the fascinating world of fungi

Expert guide Nick Aplin, chair of the Sussex Fungi Group, explains the vital role they play in the natural world.

Learn to identify fungi at this free event and help with a survey to discover which species can be found in Worth Park. Afterwards, come along to Milton Mount Community Centre for refreshments and the chance to see fungi under the microscope. Why not bring any unusual fungi you find in your garden for identification?

Suitable for adults and older, accompanied children (10 years and over). Dogs on leads welcome.

For more details contact Edwina Livesey at edwina.livesey@crawley.gov.uk or Sam Worsey at sam.worsey@crawley.gov.uk

Meet at 9.45am for 10am start at the Worth Park Visitor Centre, Ridleys Court, Crawley RH10 3DH
